## *Presidents Message*

Hello, Friends of Nacitone,

After much consideration I have accepted another term as President for Nacitone and would like to welcome Neil Wollesen as Vice President. We are full steam ahead to complete projects at Nacitone. The trees that we planted last year are doing great. We have had the plaque holders for the trees donation by Fred and Kathy Forgnone. The archive room is moving forward to completion. The flag pole will be erected soon and be dedicated to Nacitone's good friend the late Dick Warren. We are close to putting up a shade structure on the patio area. Weeds have been sprayed and mowed. Nacitone has been given a large amount of vintage farm equipment from the Watsonville Agricultural Museum that we are scheduling to pick up. We are in need of people and trailers to allow us to pick these items in one trip. If you can help please call Neil Whitty at 831-818-5265. Nacitone's next event will be our Pier Cafe Clam Chowder Dinner March 21 at the Lockwood Community Center. This meal will be prepared by the owners Pier Cafe in Cayucos. You can dine in or take out. For tickets call any director or you can purchase tickets at Lockwood Store and Pine Canyon Store in King City. Don't forget that our Annual Dutch Oven Dinner will be held on May 9th. This is on the Saturday of Mother's Day weekend. Take a mom out to dinner and I hope to see you there. If you would like to try cooking Dutch oven style we are always welcoming new cooks. If interested in cooking call Lester Patterson at 831-235-7358. Don't forget Nacitone is open for viewing on the first Saturday of each month. This time of year is a great time to stop by and have your spring photo taken by an antique farm equipment. Many people have stopped by to take pictures of themselves in front of the farm equipment and also the vintage jail cell. Travelers have claimed that they have served time in Lockwood with a picture of them in the jail.

President, Nacitone Foundation

## Hesperia

Hesperia is not so much as a place as it is a district or one of the scattered "communities" so common in southern Monterey County. There is a community Hall just north of the North end of the Hesperia Road; there is no school, store, or post office. George Stewart wrote that Hesperia came from the Greek-Latin name for the evening star, and thus a term taken vaguely to apply to the West. Since most regions of the U.S. at one time considered themselves to be the West, the name could be appropriately applied to habitations.

★ ***Nacitone Volunteers*** ★

2019

The persons who volunteered during the year, we appreciate you more than you know.

255 volunteers during the year put in **2,590 hours** of service and donated **over \$23,430** in vehicles & equipment use, pipping, glass display cases, electrical, fuel, antique items & equipment, a lamb, wine for events, electronics, computer programs, silent auction items and more.

**You are our unsung heroes**

A huge thank you to John Sonne, Donald Gillett and Lester Patterson for putting in and completing the electricity inside and outside the building. We appreciate the many hours you have spent on completing this project. It is great to just flip the switch on.

With the electricity in, Ranch Wi-Fi is donating Wi-Fi for us.

Thank you Ben Korman and AJ.

Nacitone was noticed for its donation to the San Antonio Elementary School for Landscaping

**2020 Member Dinner**

It was a great evening with all the great friends and great food.

We had a fantastic dinner with Marty Roth Schwarm catering the meal. Followed by a rundown of 2019 events, a program consisting of our very first video interview with Ben McCormack. Ben and his family traveled from Guadalupe to be with us. Ben is 84 years young. We had a successful silent auction, thank you to everyone who donated. Thank you Marty for the cakes you had auctioned off later. Don and Lester did a great job of MC's. It was great to have all the Roth siblings there. Marty, did the boys help you and your sisters with the dishes? All bets were pretty much a no.

***Nacitone Pioneers***

Nacitone Foundation and Museum will be doing a book on pioneer families of the area. We would be pleased to have your family included. We are looking for two to four pages of family history with pictures. When the family came to the area, where did they come from, who came first, did they homestead and where, what was their occupation, how many children, what schools did they attend and stories of their life in the area.

We would also be pleased to have help putting it all together.

Call Pam Davis if you would like to have your family included in the book. (805)714-7588
