### **Summer 2023**

#### **Presidents Message**

##### Presidents Letter

Where has time gone. The summer is almost over and so much work to do around the Nacitone property. I would like to thank Howard Strohn for the generous donations and the volunteers who donated your time and equipment to haul the many loads of items from the ranch to Nacitone. Without the help of all the volunteers Nacitone would have a hard time maintaining and collecting the many displays at Nacitone. We are always seeking help from people like you to become a friend of Nacitone. If you would like to help contact any member, or simply stop by the first Saturday of each month.

Thank you for you support.  
Donald Gillett  
President  
Nacitone Foundation Inc.

***Benefit for Andrew Grau***

The Nacitone Board agreed to help our neighbor, and friend to all, Andy Grau, during medical recovery.

The Board has agreed to donate \$500, and set up a way to get donations to help the family. If you wish to help you can send cash or checks (made out to Nacitone Foundation) to 68901 Jolon Road Lockwood, Ca. 93932

We, at Nacitone, wish to honor and acknowledge the passing of several prominent members of our community.

Raymond Gillett passed away on January 18.  
He served in the Navy.

William Dayton passed away on May 17 in Fort Smith, Arkansas.

Chris Heinsen passed away the same week in May.

Chris served as an Officer in the Army Reserves.

Paul Martinus Passed away June 3.  
He also served in the Navy.

All of these men are from well known families that have contributed to much of the history of the Nacitone area.

## San Antonio Lake

*If you haven't taken a drive out San Antonio to see the water level, I recommend you do so. The Lake is beautiful, and the algae level has dropped.*

*For those of us who were around in 1965 or earlier, and have memories of the creation of San Antonio Lake write them down and share with us at [millie.naciton@gmail.com](mailto:millie.naciton@gmail.com).*

*My favorite memory was around 1967. It was thought that it would take several years for the Lake to fill to capacity, but we had a very wet winter. The roads were so wet that students were getting to school by boat.*

Dutch Oven Event

May 13, 2023

Despite the day being very hot, and a new location, the Dutch Oven Event was a great success. We got to see and talk with friends, see exhibits, and EAT delicious food.

Plans are already be made to make an even better event next year
